Foreword

I take pleasure in releasing the 1958 Municipal Directory, which is the eleventh annual Directory the Department of Municipal Affairs has prepared.

Listed in this year's edition are the names and addresses of The Members of the Legislative Assembly along with the constituency represented. The constituency in which a municipality is situate is indicated by a number in the name column which may be referred to the constituency code number shown at the top of the page of each County and District. A map of the Province in Counties and Districts will again be found on the inside cover.

The assessment branch of the Department has now opened regional offices throughout the Province. The location of these offices and the names of the supervisors in charge may be found on Page v.

The population figures referred to herein are those gathered during the year by the assessors of each municipality excluding the inmates of public institutions and they do not include the population of the unorganized areas of the Province.

The assessment for general purposes was taken during the year 1957 and returned to the Clerk of the municipality in October of that year. This is the assessment upon which the 1958 municipal taxes will be levied. These figures are subject to adjustment due to appeals which may be before Courts of Revision and may not, therefore, in all cases, agree with assessments according to the audited financial statements.

A list of the Police Villages of Ontario is shown on pages 101 and 104 inclusive. These have been compiled from returns made to the Department by the Townships in which they are located.

I wish to express the appreciation of the Department for the co-operation extended by Municipal Officials in making it possible to release this Directory at such an early date.
